

Chapter XXVIII

Supermind, Mind and the Overmind Maya

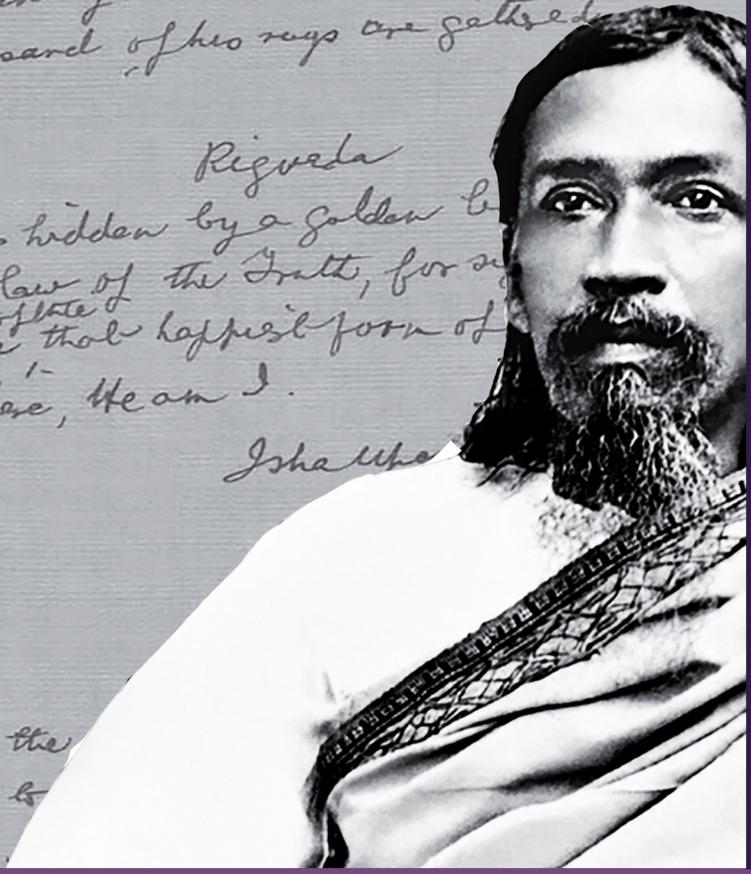

There is ^a Truth hidden by a Truth whose Sun unyokes his horses and the thousand of his rays are gathered together, — That One.

Rigveda

The face of Truth is hidden by a Golden Light. Sun remove it for the Law of the Truth, for so marshal the rays, gather them together; O Sole Seer, may I see that happiest form of Conscious Being everywhere, He am I.

Isha Upanishad

Thus there is the integral truth of ours and the of man
consciousness must arrive in experience itself is by
